### DETAILED ACTION

1. This action is in response to the amendment filed on 10/23/2007.
2. Claims 1-18 are allowed.

#### ***Examiner's Statement of Reason(s) for Allowance***

3. The following is an examiner's statement of reasons for allowance:

The prior arts of records taken alone or in combination with other prior art fails to teach or reasonably suggest in combination with other claimed limitations *an error handler gives each module or sub-application that registered a callback function and is on the examined call stack an opportunity to include specific diagnostic information based on the examined call stack and based on the point of failure within the module or sub-application; performing callback processing, wherein the notified callback functions of the module and sub-application interpret the call stack's context supplied to the callback function, determine the contextual diagnostic data to be extracted and supplied to the error handler, and extract and supply the contextual diagnostic data as recited in the independent claims 1, 7 and 13.*

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
